

Dear Neighbor,

As a corporate member of the Ottawa County community, **you know there are diverse challenges facing many of our neighbors and friends.** Homelessness is a real threat to some of the most vulnerable people in our area. We believe stable, affordable, safe housing is the foundation for stability and flourishing. When housing is in place, an individual or family can focus on setting and achieving goals and being active members of a thriving community.

**To help make Ottawa County a thriving community for all its residents, Good Samaritan is responding to the needs of our most vulnerable neighbors.** Good Samaritan works to make homelessness rare and brief. We have programs to help people exit homelessness with sustainable housing solutions, prevent homelessness from occurring, and move beyond homelessness and poverty through supportive services. **But we can't do it without your help.**

**In 2025,** Good Samaritan will once again host it's annual fundraising dinner along with our inaugural Pickleball Tournament. **The success of these events is crucial to enable Good Samaritan to achieve its audacious goals in the year ahead. Will you consider becoming a sponsor for one or both of this year's events?** Investment in these events helps hundreds of households avoid or exit homelessness and make strides in their journeys from crisis to thriving.

We'd be honored to partner with you this year. In the enclosed pages, you will see various opportunities to donate and support this event. If you have any questions, please reach out. I appreciate your consideration.

# About Good Samaritan

## Who We Are

At its core, Good Samaritan is all about loving our neighbors. For more than 50 years, Good Samaritan has served the needs of our under-served and underprivileged Ottawa County neighbors. Throughout our long history and with deep ties to our community, Good Samaritan has effectively partnered and collaborated with businesses, local governments, faith-based organizations,

and other nonprofits to provide viable solutions to some of our region's most essential and fundamental needs. Today, Good Samaritan is a team of passionate people working toward the vision of a healthy, engaged, and compassionate community by ending homelessness and poverty in Ottawa County.

We believe that housing is the foundation for stability and flourishing. With housing in place, a person can focus on setting and achieving their goals to reach stability and ultimately contribute to a thriving community. No matter where someone is in their journey, Good Samaritan is here to connect individuals and families to secure, sustainable housing and supportive programs that build stable, thriving communities.

## What We Do

Good Samaritan is a free service for anyone in Ottawa County and the best first step when someone experiences a housing crisis or homelessness. We connect neighbors to secure, sustainable housing and supportive programs that build stable and thriving communities.

In close partnerships with other nonprofit organizations, landlords, local courts, and many others, Good Samaritan provides solutions for people to exit homelessness and break the cycles of poverty for good.

## Our Work

### Preventing homelessness

We collaborate with tenants, landlords, and Ottawa County courts to prevent evictions, offering short-term financial aid via a pay-forward initiative. For individuals facing housing loss, we strive to discover innovative housing alternatives, aiming to minimize emergency shelter stays and mitigate the emotional toll of homelessness whenever possible.

### Ending homelessness

As Ottawa County's designated housing assessment and resource agency, we're committed to assisting anyone experiencing homelessness. Through tailored solutions and person-centered case management services, we work to swiftly achieve housing stability. We believe homelessness should be brief and rare, so we explore diverse avenues to attain housing stability.

### Ending poverty

Once households are ready to take the next step from surviving to thriving in their community, we offer relationally-based support services to help people establish and meet their goals, breaking the cycles of poverty.

### Affordable housing

Good Samaritan's property management department provides professional, holistic property management services for investment property owners. GSM Property Management prioritizes affordable housing but also works with owners desiring market rate rents.

## Annual Evening of Impact Dinner

Thursday June 12, 2025

This year we will be doing a few things different with our Annual Dinner Event. We've listened to the feedback we've received from attendees and we are shifting our event to the Summer! This year the Evening of Impact will be held at the Holland Civic Center on Thursday June 12. We will see the return of our cocktail hour, silent auction, and the fan favorite interactive experience (new activity this year!). But, with summer comes warm weather and that means outdoor space and Food Trucks! We are excited to see what these new changes will bring to our Evening of Impact and we hope you can partner with us for the event.

## Good Samaritan Inaugural
